

FLAMENCO COURSES 2024-2025

ADVANCED
(from 6 years of experience)

This advanced flamenco course is adequate for students with 6 years' experience or more.

Flamenco dance is a highly expressive Spanish dance form that requires special gesture and technical skills that are used to transform the body language into harmony and beauty with background rhythm. And this is the aim of this class! We are going to work on a progression of challenging technique exercises (arms, turns and footwork), choreography and small sequences on different kind of palos to amplify our repertoire. Always through the understanding of the connection of dance and flamenco guitar and singing.

The classes will be accompanied by live guitar, from guitarist Lucas Arango!

The material we will work on, will be developed throughout a **WHOLE YEAR COURSE**, that will be split in 3 blocks.

-The **1ST BLOCK** lasts from September-November 2024 and consists of **12 classes of 90 min.**
